☛ **Favor of the Topaz Order**: For successfully keeping Commander Toras Cyndane's knowledge out of the Coven's hands, you have been offered membership in the Topaz Order. You gain access to the Quick Recovery feat and the Topaz Guardian prestige class (LoM). Furthermore, if you possess **Double-Oh-Status** from ***SHE7-06 A Topaz is Forever***, you gain access (Frequency: Metaregional) to purchase the following items from the *regalia of the phoenix* item set (MIC): *raptor's mask, crown of flames, talon scepter, phoenix cloak.*

☛ **Planar Champion**: You have helped Xavos and his order defeat the githzerai's greatest enemy, earning their eternal gratitude. You gain access (Frequency: Metaregional) to purchase the following items from Xavos' monastery in Limbo: weapon special ability upgrades - *vorpal, dancing; metamagic rods* (MIC): *lesser chaining, greater sculpting.* Furthermore, you are given a *githborn talisman* (MIC) at no cost as a token of his gratitude.

☛ **Favor of the Silent Ones**: You brought the *thought extruder* to the Silent Ones for research and have earned their thanks. You may expend this favor to gain access to purchase one NPC spellcasting of the *wish* spell (21st level caster) at standard costs. Mark this favor as USED when it has been consumed.

☛ **The Eagle's Gratitude**: For saving his life, Commander Toras Cyndane has given you a trinket depicting a stylized gauntleted fist holding a lightning bolt – one that may someday save your own. As a swift action, you may invoke the blessing of Heironeous by speaking the phrase "Archpaladin, protect me." Doing so grants you the effects of the *invoke magic* spell (LoM) and consumes the trinket in a burst of light. The use of this trinket is so overwhelming that upon using it, you are left dazed for the next 1d4 rounds.

☛ **Hero of the Sheldomar**: You have prevented an alliance between the Spider Queen and the kuo-toa. The light of hope has once again been shed upon the Sheldomar and you are to thank. In return, the Court of the Land has arranged for additional training at your request. You gain access to any two of the following skill tricks from CS (circle those selected): Back on Your Feat, Clarity of Vision, False Theurgy, Nimble Charge, Swift Concentration.

What is that Thing?: You were captured by the zern in the Underoerth where you suffered through countless gruesome experiments before being rescued by the Topaz Guardians 20 additional TUs later. The experiments have left you twisted and malformed. Maidens faint and children cry when you walk down the street. You gain a -4 penalty to Cha (minimum 2). These effects can only be reversed with a *greater restoration*, *miracle*, or *wish* spell cast upon you.
