Into the Dying Lands
A Core Adventure
set in the Domain of Greyhawk

	TU Expenditure Notes
	This is a Core Adventure. Characters may not spend extra Time Units to practice professions after this adventure
Other TUs Spent	
	TUs Remaining

If the players manage to save Marthia and remove the Etherleech from her, they gain the following (cross out if not gained):

☛ **Gratitude of Ungut:** He has nothing to offer you right now but Ungut is grateful beyond words for your rescue of his beloved from the Ether creature that possessed her. He swears that someday in the future he will return the favor.

☛ **Shield, Large, Etherstone:** This normal-size shield is made of the same green stone found on the Isle of Woe and the forgotten temple in Tenh. It is of MW quality and fine craftsmanship, but it weighs considerably more than a normal steel shield of the same size.

Cost: 215 gp; Bonus: +2 AC (Armor Bonus); Penalty: -3; Weight: 40 lb.

Bonus: When an Ether creature makes a ranged touch attack to hit with an 'etherspitt' attack, you retain the AC bonus from this shield.

☛ **+1 Shield, Large, Etherstone:** This normal size shield is made of the same green stone found on the Isle of Woe and the forgotten temple in Tenh. It is of masterwork quality and fine craftsmanship, but it weighs considerably

more than a normal steel shield of the same size.

Cost: 1,215 gp; Bonus: +3 AC (Armor Bonus); Penalty: -3; Weight: 40 lb.

Bonus: When an Ether creature makes a ranged touch attack to hit with an 'etherspitt' attack, you retain the AC bonus from this shield.

☛ **Ring of Alcanix:** This ring is made of an unknown bluish metal. The band consists of 4 strands of metal wrapped into a weave. Once per day (spell trigger activation), the ring will cast Dimensional Anchor as a 7th level caster. Caster Level: 7th; Prerequisites: Forge Ring, Dimensional Anchor, Item Component (Unknown Blue Metal); Market Price: 8,400 gp; Frequency: Adventure.
