Influence Point with the Mage Council.

Trust of the Mage Council: PCs who possess the Ring of the Arcane from FUR6-06 *Invocation and Intrigue*, may upgrade the ring with the ability to extend (as the metamagic feat) one *mage armor* or *greater mage armor* spell per day. This upgrade costs 750gp.

Favor of Afronidious: This favor grants one of the following (Cross off this favor once used):

- Access to one of the following spells from the Spell Compendium (cross off all others): *benign transposition*, *baleful transposition*, *nauseating breath*, *translocation trick*, *greater dimension door*, *wall of gears*, *stun ray*.
- Repair a weapon that has been sundered at half the normal cost.

Alchemical Dexterity Booster: This liquid grants a +2 alchemical bonus to Dexterity for one hour (cost: 300gp).

Theft from Afronidious: This PC has earned the disfavor of the gnome wizard. They lose the Favor of Afronidious and are ineligible to play future adventures in the Eight of Wands plot arc.

Burning Raccoon Scent: This scent grants a +6 alchemical bonus to Intimidate checks vs. raccoons for one hour (cost: 50gp).

Shard Longsword: While on the plane of mirrors (or in the hands of a Nerra), this sword acts as a +2 *wounding* weapon. On any other plane it acts as a +1 weapon. In either case, it requires the Exotic Weapon Proficiency (shard longsword) to use without penalty.

Influence Point (IP) with the _____ metaorg. This influence point grants one time Regional access to any one item for which the PC currently has Adventure access from a Year 6 Furyondy regional adventure. This IP is consumed once used. Item: _____ AR# _____.

Affection of Odysylla: The gnome artisan has given you a gift: a lumite image of you on a journey. Once per week, the piece can be used as a *quaal's feather token (bird)* except that the messenger is a tiny image of you made of light (with a speed of 30 ft.) which cannot fly. This piece has no monetary value and you lose this favor if you attempt to sell it.

Something Interesting: You found some information in Afronidious' study. To find out what it was, email nuxoll@furyondy.com and inform him on what page in the journal you found the information.
