

has acquired the following certificate as a result of playing PERIS5-04 Introductory
Adventure: "An Evening In Laufgen"

The DM should place a tick against those favours the pC acquires:

☐ **Eternal gratitude of the citizens of Laufgen:** For being the one person with the courage, insight, power and tenacity to single handedly unblock the town sewers you have earned the eternal gratitude of the citizens of Laufgen. Indeed, you can do no wrong. This provides a +6 to diplomacy or bluff checks when made in Laufgen, and free upkeep on all future modules set in Laufgen – forever

☐ **The Head of Eugene Raticus Maximus:** Upon his defeat you, too, have claimed the head of this most vicious and unrelenting of foes. You may also claim his extremely well made, fine sized, boots if you wish, (the rapier is tin foil, and the cloak a scrap of packaging.)

☐ **Favour of Pekpek the Half orc:** For returning his lost gold tooth, Pekpek 'owes you one...!'

☐ **Favour of Spangles Spectacles the Spectacular, Storyteller Extraordinaire:** In return her lost spectacles, and keeping their location hush hush, you have earned this gnome's gratitude!

☐ **Favour of Bron Yenjenna:** For returning the lost plat of his unrequited love, you have earned the favour of Bron Yenjenna, youngest son of Laufgen's Landgraff Yenjenna.

☐ **Cross out persons who do not apply. Favor of Anika Hondvoet / Barrend Veerman / Honest John:** Depending on who you helped in this adventure, for your services to these powerful individuals in Laufgen, they promise you a special favour. For only one regional adventure, you may borrow a magical weapon to use. This does NOT count as access. Score through once used. (Tick one).

☐ Anika: +1 ghost touch quarterstaff.

☐ Barrend: +1 flaming club

☐ Honest John: +1 spell storing dagger
