### Removal of the Mark of the Eye Curse

In order to maintain national security in Gran March, a powerful cleric from one of its Major Churches has successfully cast the spells required to remove the above named curse (gained in *GRM3-03 Shades of the Past* or *GRM3-07 Rustling in the Reeds*). The above named PC is no longer subject to the effects of the curse, both beneficial and harmful. All previous notations on ARs regarding use of the curse are to be disregarded.
