Cross out any game effects this character does not gain.

✦ **Breaking the Curse of Roikyn:** For restoring Gwier Dreng to his right mind, he passes on some of the secrets learned during his time in the Lands Below. PC gains access to the spells *slide* [MH] and *curse of impending blades* [MH].

✦ **Journey through the Underworld:** Passing through the lands of the dead and hearing their desires and regrets has given you an understanding of the hereafter. Through this experience, bards and virtuosos gain access to the *hymn of praise* (S&S) spell.

✦ **Invitation to the Homecoming of Lord Elgarin:** For delivering Lord Elgarin from the clutches of the Green Warlock, this PC is invited to a homecoming celebration in Flen that includes the most respected figures in Keoland. As the savior of her beloved son, Allita Elgarin, Countess of Flen dotes on you. The Countess is a vivacious woman on the cusp of her 40th birthday looking for the right Count. **Circle ONE of the following:** (Suitor of Countess Allita Elgarin/Courted by Lord Garson Elgarin): Human PCs with a natural 10 or higher Charisma who always take *Luxury Lifestyle* may entertain the advances of the appropriate Elgarin noble if they belong to one of the following metaorganizations: Nobility, IMA, Royal Guilds (name level only), or a Founder of New Kilm. Contact the Keoland Triad at keoland_marf_poc@yahoo.com for further details.

✦ **Signed on the Dotted Line:** This PC became a Minion of Roikyn. This effect may be removed with the *Sythe of Nerull* in this scenario or through a ritual conducted by the Church of Segojan Earthcaller in Plim's Delve. This costs the PC ½ the gp cap value for this scenario and 2 additional TUs. For one year from the date on this AR, the taint of Roikyn's curse remains with the PC. The PC detects faintly as evil, gains resistance (acid) 5 and find herself susceptible to commands and suggestions of gnomes. Simple non-magical spoken commands or suggestions are treated as if a *command* or *suggestion*, which the PC must make a Will save (DC 13 + APL) to resist. Saves against magical enchantments cast by gnomes are made at -4. PCs that do not undergo the ritual at the end of this adventure change alignment to CE and are removed from play. Contact the Keoland Triad at keoland_marf_poc@yahoo.com for further details.

✦ **A Fool for Music:** For stealing an offering to Chronopsis, Dragon God of Judgment, this PC has been afflicted with a curse. This PC suffers a -4 to saves vs. sonic effects until both Remove Curse and Atonement spells have been cast upon the PC. Have judge mark this effect as REMOVED and initial once when it has been cured.

✦ **Gratitude of Gloriat:** This PC has accepted the request made by the shade of Otiluke in the Underworld, carrying a message to his dear friend Gloriat. This costs the PC 2 additional TUs, but they gain one of the following benefits (circle the one chosen):

- Access to any one spell on the Limited list in the LGCS. The spell cannot be Banned or Forbidden in Keoland, and the PC must be able to cast a spell of this level in order to gain access to it. Spell chosen is _____.
- Gloriat has friends in high places; she provides the PC with a 10% discount to any one DMG magic item of the PC's choosing. The PC must already have access to the item to take the discount. Item chosen is _____.

✦ **Otiluke's Legacy:** PCs who rescued Gwaeddan Dreng and received the Gratitude of Gloriat receive an additional reward, access to some spell research Otiluke was conducting before his death. This PC gains access to the following spell, which must be scribed into their spellbooks for free.

Otiluke's Concussive Burst: Evocation (force), Level: Sor/Wiz 1, Components: V, S, M, Casting Time: 1 standard action, Range: Close (25 ft. + 5 ft./2 levels), Effect: 10-ft. radius burst, Duration: Instantaneous, Saving Throw: Fortitude negates, Spell Resistance: Yes. This spell creates an explosion of magical force that knocks Large and smaller creatures prone. Creatures flying within the burst suffer no ill effects from this spell. Large creatures, creatures with more than two legs, and those with a stability bonus gain a +4 circumstance bonus to their save. This spell has no effect on objects. Material Component: A coin or metal disk inscribed with arrows pointing outward.

✦ **The Warding Cap of Urogalan:** In thanks for securing Tumbledown Delve, rescuing the son of the Union's closest ally, and ridding the Temple of the Dead of a cruel interloper, the halflings of the Good Hills have gifted the PC with a cap. This prized possession is meant to protect the wearer as they continue to guard the halfling people. It is a stylized black skullcap lined with silver runes and decorated with the holy symbol of Urogalan, a dark grey silhouette of a dog's head. If the PC donates 8,000 gp to the halflings, the cap gains the following powers; otherwise it is merely symbolic. While worn (hat slot), the *Warding Cap of Urogalan* constantly protects this PC (the one the cap was gifted to) as if by a *protection from evil* spell (1st level caster). The cap is rumored to have additional powers; contact the Keoland Triad for additional information.
Faint abjuration; CL 1st; Prerequisites: can't be crafted; Market Price: 8,000 gp (see above); Weight: - lbs.
