Honorary Chain Breaker: You have been made an honorary member of the Chain Breakers and given the name of in recognition of this.

Chain Breaker: You have been given full membership in the Chain Breakers. This gives you access to the following prestige classes: Combat Medic (HoB), Dread Commando (HoB), Spymaster (CAAd), Master of Masks (CS).

Captured: You have been captured by the forces of the Pomarj and taken for interrogation. Fortunately for you, the Chain Breakers rescued you after only two weeks. This incarceration costs you 2 additional TUs.

Everburning Javelin: This is a standard javelin with a continual flame spell cast on the butt end of it. It can be thrown like any standard javelin. If the damage done by the javelin exceeds the hardness of a surface it is thrown against, the point embeds itself. Cost: 111 gp.

Boon of Freedom: Your deeds in the cause of freedom have gained the notice of Trithereon, god of liberty. You may call upon his aid once when your liberty is threatened. This aid functions the same as a ruby ray of reversal (SpC) at CL 20th except it can be targeted only on you, or an object or person you are in contact with. Because it is the boon of a god, it can be used even when you cannot take any actions or make a conscious thought, such as when subject to flesh to stone or baleful polymorph. This is a supernatural ability. Mark this boon as USED when it is spent.
