☛ **Favor of Jarrad Udric:** For escorting Chelsea safely to him in Loftwick, Jarrad is very grateful. He is willing to make sure the PC's future stays in Loftwick are comfortable. This PC is granted free Standard upkeep during adventures that take place primarily in or around Loftwick. This benefit is effective for one week from the date on this Adventure Record.

☛ **Influence with the Merchants of Westburn:** For getting rid of the leader of the thugs involved in the protection racket, the merchants of Westburn are extremely grateful. This PC has an Influence Point with the Merchants of Westburn. This influence may be of value to the PC in the future. Contact the Yeomanry Triad for further details.

This influence is only gained if the PCs specifically mention the protection racket to either the Westburn Watch or the merchants themselves AND if Openad is either slain or turned over to the Westburn Watch.

This adventure may only be played by 1st level characters.
