Battle of the Muddled Water Ribbon: The ribbon is made out of brown-green cloth with a tiny golden sun on it. The ribbon can be recognized with a DC 18 Knowledge (history) check. Members of the Sunndian military or its affiliated organizations may replace this with a Profession (soldier) check. It gives a +1 circumstance bonus on checks made to influence NPCs as long as the NPC recognizes its significance (and is not hostile towards Sunndi). This stacks with bonuses provided by other decorations. [Cost: 2 decoration points]

Order of the Brass Sun (medal): This medal is made out of a blue and white ribbon with a smiling brass sun. The medal can be recognized with a DC 12 Knowledge (history) of Knowledge (nobility and royalty) check. Members of the Sunndian army or its affiliated organizations may replace this with a Profession (soldier) or Intelligence check. It gives a +2 circumstance bonus on checks made to influence NPCs as long as the NPC recognizes its significance (and is not hostile towards Sunndi). This medal can only be earned once. [Cost: 5 decoration points]

Champion of Sunndi (sash): This sky blue sash is decorated with a smiling golden sun. The medal can be recognized with a DC 10 Knowledge (history) of Knowledge (nobility and royalty) check. Members of the Sunndian army or its affiliated organizations may replace this with a Profession (soldier) check. It gives a +2 circumstance bonus on checks made to influence NPCs as long as the NPC recognizes its significance (and is not hostile towards Sunndi). This medal can only be earned once. [Cost: 10 decoration points]

Order of the Golden Sun (medal): This medal is made out of a blue and white ribbon with a smiling golden sun. The medal can be recognized with a DC 10 Knowledge (history). Members of the Sunndian army or its affiliated organizations may replace this with a Profession (soldier) check. It gives a +2 circumstance bonus on checks made to influence NPCs as long as the NPC recognizes its significance (and is not hostile towards Sunndi). This counts as a favor with King Hazendel, any other member of the Congress of Lords (with the exception of Count Donner). Furthermore, people can advance to lieutenant without the leadership feat. The medal can only be earned once, but if selected a second time, it does grant an additional favor. [Cost: 20 decoration points]
