WINES

BRANDYWINE: (Silvermoon, Silver Marches) A fine but weak wine made mostly in the Silver Marches and in small pockets of Faerun, this reddish wine has a country taste to it and is served throughout the Sword Coast, and the North but is not known elsewhere.

GOODBERRY WINE: This common wine is made by clerics all across the Realms, often by priests of Ilmater. Goodberry's are magically created, crushed, then fermented. Drinking it gives no magical benefit, but it's said to have a tangy flavor.

ILLYTHID BRAIN WINE: (Calimshan, Illythid inhabit areas) This strong wine is made by Illythids and finished by flushing it in the skull of live creatures, thus destroying its brain and adding the brain juice to the drink. It must be kept at a very cold temperature and is said to be a curse for humans to drink.

KUNG LU WINE: (Kara-Tin, Shou Lung) A rich sweet wine often imported from distant Kara-Tur. This blue wine is considered one of the best in the Realms. It is said to have been given as a gift from the Spirit Folk to man.

It is brewed by the Nan Clan of Iriaebor, an orcish family of great renown

BORDERLAND BROWN ALE: This average brown ale is brewed at the Borderland Inn at the Borderland Keep, in Greyhawk (or whatever world you set it in). The bottles bare the image of a keep with the words "Borderland Brown – If it's Brown, Drink it Down".

HOBGOBLISH SPOTTED ALE: (the Fields of the Dead, Sword Coast) This odd black and white spotted ale is made by Hobgoblins and served in some small taverns on the Sword Coast. SUZ-ALE: (Suzail, Cormyr) This average dark brown ale is brewed in Cormyr's capital as the official drink of the nation, although not particularly the royalty. It is found in Cormyr, Sembia, the Dales and known about the Sword Coast. It is quite cheap compared to other ales as the Cormyreans brew a lot of it, but it's somewhat oak-like flavor (due to the barrels it's brewed in) make it somewhat bitter.

TANAGAR'S LIGHT ALE: (Asbravn, the Sword Coast) One of the newer selections that the famed Tanagar's Brewery has created. This light ale is very smooth and not bitter in the least. It is served on the Sword Coast and the Western Heartlands.

HOBBIT'S HOCK: (Luiren) A favorite drink of Hobbits and the famed drink of Luiren. It has a dark amber color and a thick texture, and is usually thought of as a beer, rather than an ale. It is strong, bubbly and sweet and is imported to various taverns in the Realms.

NEW BROST BEER: (New Brost, Maztica) The first ale to be solely produced in one of the Amnish colonies of Maztica. This strong, red ale is known only in the Amnian Colonies and in Amn itself, but some exporters are introducing it in the Sword Coast as the first great ale Amn ever produced.

TORM'S TRUE BEER: (Essembra, Battledale) A very popular drink exported from the Dales more than any other of its kind. It has not appeared in the Moonsea for political reasons, but is rampant in the Dales, Vast, Sembia, Cormyr, Vilhon Reach and even the Sword Coast. Those drunk by the ale who invoke Torm are said to put under the effects of a *Bless* spell while drunk from it.

WICKED STARK BEER: (Zhentil Keep, the Moonsea) A popular beer in the Moonsea as well as in the Dales (although many won't admit this since it hails from Zhentil Keep), and also found in the Vast and in some areas of Cormyr and Sembia. MAZTICAN MEAD: (New Athkatla, Maztica) A very strong mead found in Amn and the Amnish colonies, but hated by the native Maztican's as they had nothing to do with its creation. Many sailors bring barrels of this drink on their ships while at sea.

OILS

MODRON OIL: (Mechanus) This strange mix of oil and pure alcohol is found and drunk mostly by Modrons and warforged, and only really found in Sigil and Mechanus. Gnomes in Lantan
