Benign Transposition. You can use your action to teleport up to 30 ft. to an unoccupied space that you can see, or you can choose to swap places with a willing Small or Medium creature within range. Once you use this feature, you can't use it again until you finish a long rest, or you cast a conjuration spell of 1st level or higher.

Minor Conjuratation. You can use your action to conjure up an inanimate object (no larger than 3 ft. on a side and no more than 10 lb.) in your hand or in an unoccupied space that you can see within 10 ft. of you. The object disappears after 1 hour, when you use this feature again, or if it takes or deals any damage.
