CLASS FEATURES

Action Surge (Recharges After a Short or Long Rest). On your turn, you can take one additional action on top of your regular action and a possible bonus action.

Cunning Action. You can take a bonus action on each of your turns in combat. This action can be used only to take the Dash, Disengage, Hide, or Use an Object action or to make a Dexterity (Sleight of Hand) check, use your thieves' tools to disarm a trap or open a lock.

Expertise. Your proficiency bonus is doubled for Acrobatics and Persuasion skill checks.

Extra Attack. You can attack twice instead of once whenever you take the Attack action on your turn.

Fighting Style: Defense. While you are wearing armor, you gain a +1 bonus to AC.

Fighting Style: Two-Weapon Fighting. When you engage in two-weapon fighting, you can add your ability modifier to the damage of the second attack.

Indomitable (Recharges After a Long Rest). You can reroll a saving throw that you fail. If you do so, you must use the new roll, and you can't use this feature again until you finish a long rest.

Second Wind (Recharges After a Short or Long Rest). On your turn, you can use a bonus action to regain 1d10 + 10 hit points.

Sneak Attack. Once per turn, you can deal an extra 2d6 damage to one creature you hit with an attack if you have advantage on the attack roll. The attack must use a finesse or a ranged weapon.

You don't need advantage on the attack roll if another enemy of the target is within 5 feet of it, that enemy isn't incapacitated, and you don't have disadvantage on the attack roll.

MARTIAL ARCHETYPE: CHAMPION

Improved Critical. Your weapon attacks score a critical hit on a roll of 19 or 20.

Remarkable Athlete. You can add +3 to any Strength, Dexterity, or Constitution check you make that doesn't already use your proficiency bonus.

In addition, when you make a running long jump, the distance you can cover increases by 2 feet.

ROGUSH ARCHETYPE: THIEF

Second-Story Work. Climbing no longer costs you extra movement.

In addition, when you make a running jump, the distance you cover increases 5 feet.

FEATS

Athlete. When you are prone, standing up uses only 5 feet of your movement.

Climbing doesn't halve your speed.

You can make a running long jump or a running high jump after moving only 5 feet on foot, rather than 10 feet.

Dual Wielder. You gain a +1 bonus to AC while you are wielding a separate melee weapon in each hand.

You can use two-weapon fighting even when the one-handed melee weapons you are wielding aren't light.

You can draw or stow two one-handed weapons when you would normally be able to draw or stow only one.

Mobile. Your speed increases by 10 feet.

When you use the Dash action, difficult terrain doesn't cost you extra movement on that turn.

When you make a melee attack against a creature, you don't provoke opportunity attacks from that creature for the rest of the turn, whether you hit or not.

EQUIPMENT

Chain shirt, longsword, dagger, sling, 20 bullets, and 100 gp.
