In Plain Sight

Manacles of Ymandragore

Wondrous item, very rare (require attunement)

Description: These manacles were created upon the dreaded Isle of Tears and are intended to assist with the capture, and containment of arcane casters.

Effect: When you place these manacles a creature they instantly become attuned to the manacles, losing attunement to another magic item if necessary. The attuned creature loses 10 spell slots, losing an additional 10 spell slots at the beginning of each of their turns until they have no spell slots remaining. As long as these manacles are worn the creature cannot regain any spell slots through any known means.

Anytime a creature attuned to these manacles attempts to cast a cantrip, they suffer 6d6 (21) force damage. Once locked the individual who placed the manacles on the creature may unlock them with a command word. They may also be unlocked with a successful dispel magic (DC 15) or successful DC 20 Dexterity (Thieves' tools) check.
