

AEGIS OF THE RAVEN QUEEN

CCC-BWM-03 *Tales of Two Towers*

This shield appears as a shroud of shadow with the symbol of the Raven Queen glowing in dim red light. While holding this shield, nonmagical flames are extinguished within 30 feet of you as the shadow lashes out at the flame. The shield encourages you to hold no pity for those who suffer and die, for death is the natural end of life.

Armor (shield), very rare [+3 shield]

Please refer to the Dungeon Master's Guide for a full description of this item
