

VORPAL SWORD

DDAL07-16 Pools of Cerulean

This blade hums and vibrates with great energy and slices through obstacles with the greatest of ease. If the sword does not claim the life of a sentient creature each day, you find that you are easily angered and become frustrated by even the smallest obstacles.

*Weapon (scimitar), legendary [requires attunement]
Please refer to the Dungeon Master's Guide for a full description of this item*
