ATTACKS & SPELLCASTING

**BARDIC INSPIRATION (d6).**  
You can inspire others through stirring words or music. To do so, you use a bonus action on your turn to choose one creature other than yourself within 60 feet of you who can hear you. That creature gains one Bardic Inspiration die, a d6.  
Once within the next 10 minutes, the creature can roll the die and add the number rolled to one ability check, attack roll, or saving throw it makes. The creature can wait until after it rolls the d20 before deciding to use the Bardic Inspiration die, but must decide before the DM says whether the roll succeeds or fails. Once the Bardic Inspiration die is rolled, it is lost. A creature can have only one Bardic Inspiration die at a time.  
You can use this feature a number of times equal to your Charisma modifier (a minimum of once). You regain any expended uses when you finish a long rest.

EQUIPMENT

**COLLEGE OF LORE.**

**CUTTING WORDS.**  
You know how to use your wit to distract, confuse, and otherwise sap the confidence and competence of others. When a creature that you can see within 60 feet of you makes an attack roll, an ability check, or a damage roll, you can use your reaction to expend one of your uses of Bardic Inspiration, rolling a Bardic Inspiration die and subtracting the number rolled from the creature's roll. You can choose to use this feature after the creature makes its roll, but before the DM determines whether the attack roll or ability check succeeds or fails, or before the creature deals its damage. The creature is immune if it can't hear you or if it's immune to being charmed.

SYMBOL

**WANDERER.**  
 You have an excellent memory for maps and geography, and you can always recall the general layout of terrain, settlements, and other features around you. In addition, you can find food and fresh water for yourself and up to five other people each day, provided that the land offers berries, small game, water, and so forth.

**BACKSTORY.**  
 You've trained and studied all your life to be a jungle guide for those visiting Port Nyanzaru. Unfortunately, nobody wants to hire a penniless musician to lead them on a jungle expedition.

CHARACTER BACKSTORY

**RITUAL CASTING.**  
 You can cast any bard spell you know as a ritual if that spell has the ritual tag.

**JACK OF ALL TRADES.**  
 You can add half your proficiency bonus, rounded down, to any ability check you make that doesn't already include your proficiency bonus.

**SONG OF REST.**  
 You can use soothing music or oration to help revitalize your wounded allies during a short rest. If you or any friendly creatures who can hear your performance regain hit points at the end of the short rest by spending one or more Hit Dice, each of those creatures regains an extra 1d6 hit points.

**EXPERTISE.**  
 Your proficiency bonus is doubled for any ability check you make that uses either of the chosen proficiencies (Athletics, Performance).
