

STAFF OF STRIKING

DDAL07-12 In Search of Secrets

This staff appears wholly unexceptional, gnarled and irregular with a thin, cracked strip of leather at the midpoint. When rapidly spun in the hands of a skilled user the staff generates a buzzing drone audible to all within 100 feet. The drone becomes a sonorous chant to Ubtao after a few moments.

Staff, very rare [requires attunement]

Please refer to the Dungeon Master's Guide for a full description of this item
