#### *IMPI2-1 GOBLINS FROM BELOW*

##### **IMPI15 An Enemy Known**

You successfully negotiated with the goblins from the Earthspur Mountains. For now, these goblins consider you an ally. Who knows how long this might last. You found information that may help you and Impiltur itself in future dealings with these goblins. Lord Gultenov is worried about the future, asking to stay alert for more jobs in regards to these goblins.

You are now on the *Blue Fire Goblins* major quest.

##### **IMPI16 Loose Lips**

You negotiated with the goblins, but you gave them more information than you got. This gives the goblins an advantage against you and against Impiltur. For now, these goblins consider you an ally. Who knows how long that might last?

You are now on the *Blue Fire Goblins* major quest.

##### **IMPI17 Die by the Sword**

You attacked and defeated a group of blue fire wielding goblins near Lyrabar. The full knowledge of this threat is unknown, and may wind up hurting you in the future. These goblins consider you an enemy. Gultenov is worried about the future, asking to stay alert for more jobs in regards to these goblins.

You are now on the *Blue Fire Goblins* major quest.
