Dungeons & Dragons

Official Game Accessory

Character & Monster Assortment

Behold the Dungeon Master's best game supplement!

At last! A whole collection of 3D heroes and their monstrous foes is made available. From now on, easy to assemble hordes of colorful and mysterious creatures will hide behind the Dungeon Master™ game screen, waiting to surprise unwary players. The *Character & Monster* supplement brings back the best game pieces offered in your favorite D&D® modules, along with a brand new series of standups.

Your dungeons will never be the same without them!

- Over 120 3D game pieces
- Includes 15 *double-wide* game pieces for mounted knights, and large monsters like dragons, hydras, manticores, and more
- 12 male and female heroes and NPCs
- 14 brand new game pieces never yet published
- All this on seven pre-cut and scored color sheets
