Player RPGA # Has Completed ADP6-03 Red Hand of Doom (Part One) An Adapted Adventure Set in the March of Sterich

Cross out any game effects this character does not gain. **Favor of Brother Derny**: This PC may purchase (Frequency: Any) a single divine scroll of a *PHB* cleric spell of 3rd level or lower at a CL of 5th or lower. The price of this purchase is 10% less than the standard cost as Brother Derny is a very charitable individual. Mark this Favor as USED when the scroll is purchased.

← Favor of Avarthel: This PC may purchase (Frequency: Any) a single potion of a *PHB* druid spell of 3rd level or lower at a CL of 6th or lower. The price of this purchase is 10% less than the standard cost as Avarthel is pleased the PC is helping save the town of Drellin's Ferry. Mark this Favor as USED when the potion is purchased.

← Favor of Sertieren the Wise: This PC may purchase (Frequency: Any) a single arcane scroll of a *PHB* wizard spell of 3rd level or lower at a CL of 5th or lower OR a single minor wondrous item from the *DMG*, other than a *bag of tricks*, of CL 5th or lower. The price of this purchase is 10% less than the standard cost as Sertieren the Wise is pleased the PC is helping save the town of Drellin's Ferry. Mark this Favor as USED when the item is purchased.

← Deed to Vraath Keep: This PC has found the deed to Vraath Keep in the keep's vault. After this PC has defeated the Red Hand once and for all, they might be inclined to claim Vraath Keep as their own, and this deed goes a long way toward making that claim a legal reality. Details on use of this deed will be posted on the LIVING GREYHAWK website in late 2006.

← Gratitude of Drellin's Ferry: The citizens of Drellin's Ferry are forever in your dept for helping them evacuate before the onslaught of the Red Hand horde. In return for your actions, the citizens arrange for you to be rewarded. You gain one-time access (Frequency: Any) to purchase an upgrade to any one magical item chosen from the following list (circle the item chosen at the time of the upgrade): weapon, armor, shield, *amulet of natural armor, bracers of armor, ring of protection, vest of resistance* (*Complete Arcane*), or *cloak of resistance*. It only affects enhancement bonuses for armor, shields, or weapons. This upgrade may increase the bonus by more than one point but may not result in a final bonus in excess of +5. Mark this Gratitude as USED when the upgrade is purchased.

← Gift of Life: For donating the *staff of life* to the war effort in Sterich, this PC receives the gratitude of the Church of Pelor in Sterich. This gratitude is repaid in two ways. First, this PC gains access to a *wand of cure moderate wounds* on the Item Access list below. Second, this PC may spend this Gift to gain access to the casting of one free *raise dead* during the play of any Part of the *Red Hand of Doom* adventure (this must take place when the PCs are not engaged in combat and in a location where the Church of Pelor could magically contact and reach the PCs [DM's discretion]). Mark this Gift as USED when it is spent.

Slew/Captured the Wyrmlord: This PC's party slew or captured Wyrmlord Koth.

✔ Victory Points: This PC has earned ____ Victory Points (of a maximum of 9 VP) during part one of *Red Hand of Doom*.
