**Sapphire Brooch of the Phostwood:** This brooch is of ancient Flannae design – consisting of three platinum spirals wrapping around three small sapphires set in a triangular pattern. If probed for magic, it has a faint Abjuration aura, but does not appear to have any obvious functions or effects on the wearer.

**Saighden of the Tenhas:** For his services in the cause of Duke Ehyeh, the bearer has earned the title of Saighden (honored warrior) of the Tenhas. This entitles the bearer to free standard upkeep in those parts of the Duchy of Tenh loyal to Duke Ehyeh. The bearer also gets the choice to purchase a special ceremonial weapon engraved with the arms of Tenh (one from the list below):

- Masterwork kukri (308 gp)
- Masterwork spear (301 gp)
- Masterwork quarterstaff (600 gp)
