

Sunndi Irregulars

History

The Sunndi Irregulars have been unofficially founded in CY591 by Cohen the Barbarian. Since then, they have collected two wagon loads of arms and armor, which have been delivered to the Onnwal Freedom Fighters at the city of Longbridge, at that time taken by the Scarlet Brotherhood. The weapons and armor safely delivered and put to good use, the members present aided the Freedom Fighters in the liberation of Longbridge.

Goals

The goals of the Sunndi Irregulars are simple. Spreading Freedom to wherever it is not, and protecting Freedom wherever it needs protecting.

To accomplish these goals, the Sunndi Irregulars are trying to build the Sunndi Irregular Headquarters, a facility to teach combat and self-defense to the people of Sunndi.
