

Dearest Friends,

I hope this message finds you well. I'm not sure if you remember me, but we met last year when I was in town for the summer festival. Unfortunately, I am writing because I believe that your community is in grave danger, and I'm not sure who else can help.

You see, I've been following a series of odd occurrences in other villages nearby - strange deaths, disappearances, and bouts of madness that seem to be forming a pattern. And I think Windermere is next.

I am heading to town post haste, and plan to arrive by the evening. Please, meet me at Blazing Hearth Tavern at sunset, I will bring all the evidence I have to show you. Help me stop this before anyone else gets hurt.

Humbly yours,

Selmund Azlen
